

SWAP MODELERS SEPTEMBER 2021 MEETING MINUTES

The meeting was called to order at 6:00pm at the Club field, Bob Pollokoff vice president presiding. The last meeting's minutes were read and accepted. The treasurer's report was given and also accepted. Bob Pollokoff asked if there was any new business. Art Vail spoke on several matters. He said that he had a different grass cutting contractor cut the Field due to the fact that our regular contractor was on vacation. He felt confident that she would be back in time to mow for our upcoming Charm City event. He suggested that the Club look into meeting at the Baltimore County Rec center for winter meetings. Art said that the portable toilet at the Field is now supplied by the park service and that he thinks that the problem of having it serviced on a regular basis has been taken care of. He said that someone had incorrectly locked the gate and explained once again how it should be done.

Art went over plans and safety rules for the Charm City event and explained that due to Covid, it would be kept low key. Art thanked Tone Herold for being "CD" for the event. He also reminded the members about the SWAP meet coming up. He said that he and some members had cleaned out the shed and that some items stored there would be for sale.

A 50/50 drawing was held after the meeting, young Faith Rister was the lucky winner.

The meeting was adjourned at 6:25 pm. 22 members attending.
