

SWAP MODELERS JULY 2016 MEETING MINUTES

The meeting was called to order at 6:40 pm, Pat Murphy president presiding. June's minutes were read and accepted. The treasurer's report was given and also accepted.

Prospective new member Russ Colston was welcomed to the Club. Russ flew RC back in the 80's, became a full scale pilot and now is interested in getting back into the hobby.

Plans for the August Model Aviation Appreciation Day event were discussed. Mike Murphy was thanked for welding the new lock to the chain at the entrance gate. The new lock should be easier to operate than the previous one.

Gorden Hagered's lost plane was found and it was noted that it had his name, AMA number and FAA registration number on it also.

Art Vail announced that he has ordered more Club T-shirts and asked for hat style preferences so that he can order them also. Polo shirts are available as special order. Shirts, hats etc. will now be kept in a locked container in the Shed. Club officers will be the only persons with keys.

Dave Zisow announced that he has posted an array of photos on the Club website. He asked for feedback from members as to what other photos they would like to have added.

Joel White thanked Glenn Metzler and Tim Stem for assisting him with the aircraft display at Bet Yeladin preschool for their Transportation Day event. He said our display was well received and got a lot of attention from children and adults alike. The possibility of Baltimore's "FleetWeek" airshow predicating a "no fly" order was discussed. The event will be held the weekend of Oct. 15th and 16th.

Art showed his Stinson that he has now completed building and painted. He explained the construction and finishing details and will be test flying it in the near future.

The meeting was adjourned at 7:00 pm 21 members attending.
