

SWAP MODELERS SEPTEMBER 2018 MEETING MINUTES

The meeting was called to order at 7pm at the Glen Burnie Shop Rite Store's community room, Pat Murphy president presiding. August's meeting's minutes were read and accepted. The treasurer's report was given and also accepted.

Pat reported that he had been contacted by the contractor doing maintenance on the power lines nearby the Club Field. The contractor was seeking permission to use the North end of the Field in the heli hover area to land their maintenance helicopter for fueling and resupplying equipment and materials, probably starting in November. A motion was made and passed by the membership to allow it.

Art Vail informed the members that he had placed the order for new hats. He also said that there have been several complaints about the portable toilet at the Field so he contacted the company and requested that their service be improved.

Details for the upcoming "Baltimore Bash" were discussed. Preparations to begin on Thursday evening.

A motion was made and passed by the general membership to not allow any part of the spectator area to be fenced off for the purpose of keeping the general public out during our event.

A 50/50 drawing was held after the meeting, Floyd Davis being the lucky winner.

The meeting was adjourned at 7:35pm, 22 members attending.

Next meeting will be October 15th at 7:00pm at the Glen Burnie Shop Rite store.
