

SWAP MODELERS JULY 2018 MEETING MINUTES

The meeting was called to order at 6:30 pm at the Club field, Greg Gee vice president presiding. June's meeting minutes were read and accepted. The treasurer's report was given and also accepted.

Art Vail informed the members about some changes that were made to the flier for the Baltimore Bash for DAV. The changes were made to clarify that it will be an RC flying event. There was some discussion about gasoline engines, mainly regarding carburetor maintenance and the merits of having a radio controlled engine kill switch.

It was decided that we will allow spectators to have a vote on the "Best of Show" airplane at the event in September. It was also discussed that the spectators should be allowed access to all areas behind the flight line for the purpose of viewing our aircraft.

Members were reminded that the next event will be Model Aviation Day on August 11th.

"Doc" Blum showed C-47 that he built from a Top Flite kit. He said that the kit was a pleasure to work with. It is powered with twin electric motors and has Robart retracts. He covered it with Oracote and painted it with Rustoleum. Doc offered some good information on painting.

The meeting was adjourned at 6:50 pm, 21 members attending. Next meeting will be August 20th at 6:30pm at the Club Field.
