

DECEMBER 2019 MEETING MINUTES

A brief meeting was held before the annual holiday party starting at 6:30pm.

Art Vail gave the treasurer's report and read the letter of appreciation that was sent to the Club by the Disabled American Veterans for the donation that the Club gave them. Art said that he had sent Diane Stinchcomb a gift card for Outback Steakhouse as a thank you for donating her dad's model aircraft estate to the Club.

Art had several suggestions for next year's raffle planes. After some discussion, it was decided that we would get a Hanger 9 20cc size P51D Mustang and a Hanger 9 30cc size "Tiger".

There were no more topics of discussion so the meeting was ended and the party began.

Next meeting will be January 20th at 7pm at the Arbutus Recreation center.
