

SWAP MODELERS FEBRUARY 2019 MEETING MINUTES

The meeting was called to order at the Glen Burnie ShopRite store at 7:00pm Pat Murphy president presiding. January's meeting minutes were read and accepted. The treasurer's report was given and also accepted.

Art Vail went over the dates for this year's events. They can be found on the Club website.

The question was raised about the new FAA requirement for FAA registration # location on aerial vehicles. It was clarified that they must be located on the outside and clearly visible.

The condition of the Club field was discussed. Glenn Metzler showed a drawing he made showing the problem areas and some ideas for repairing them. The suggestion was made to have a onetime monetary assessment from Club members to be used for materials and equipment needed. A motion was made to make it a voluntary contribution and several members stepped forward and contributed on the spot. Glenn was asked to take charge of the project and he agreed to do so.

Matteo [Mooch] Martemucci showed a ¼ scale Great Planes Gee Bee R1 racer ARF that he was hoping to sell.

Art showed the wing for the Pitts M 12 that he is building and how he is mounting the servos flush with the wing surface. He also had some information on a person who specializes in Saito engine performance modifications and that he is sending him his engine for work. Contact information for this "Engine Guru" is available under the "Buy/Sell & Misc" menu link on our web site.

A 50/50 drawing was held after the meeting. Joel White was the lucky winner. The meeting was adjourned at 7:55 pm 25 members attending.

Next meeting will be on March 18th 7:00pm at the Glen Burnie Shop Rite store.
